

ACTIVE NATION

GREAT NEWS!

YOUR LOCAL ACTIVE NATION GYM/LEISURE CENTRE IS REOPENING!

Hi [first name]

Following the government's announcement that gyms and leisure centres can reopen to the public from 25th July, we are able to welcome you back to our venues!

To begin with our venues will re-open for Gym and Exercise Class sessions, which will be followed soon after by Swimming on 10th August.

No doubt you will be eager to get back to your normal routine of physical activity having had a long break, but before your first visit we'd like you to check out <https://activenation.org.uk/coronavirus-covid-19/> which will give you more details and confidence around your return. On this page you'll find a list of questions answered and details of increased measures we have taken at our venues to meet government guidance and become a 'UKactive Covid-19 Response' approved venue.

Since you pre-paid for your membership 12 months in advance we wanted to reassure you that your subscription has been automatically frozen during our closure period. So therefore, for example, if you had 50 days remaining on your annual membership at our point of closure, you will still have 50 days remaining when we re-open on 25th July, meaning no pre-paid days have been used during our closure.

You are likely to have lots of question and be keen to understand how your first visit will be different to what you are used to, so to help keep you informed we are updating our Facebook pages daily with questions and answers, video content to walk you through the changes and other important

information. Please follow your local Active Nation Facebook page or our central charity account at www.facebook.com/activenationuk

We look forward to seeing you back at the gym soon!

STAY UP TO DATE ON NEWS
