

HELLO!

ACTIVE NATION

National Pool Lifeguard Qualification

Do YOU want to become a LIFEGUARD?

The Quays 'Eddie Read' Swimming & Diving Complex
27 Harbour Parade, Southampton, SO15 1BA

27th May – 1st June 2014

If successful, the **NPLQ full course** (see days/times below) qualifies the candidate for 2 years, after which it can be revalidated if sufficient training hours have been logged.

The **NPLQ revalidation** allows lifeguards who have logged sufficient training hours to refresh their qualification for a further 2 years by taking just the examination.

Course days/times

The course will commence Tuesday 27th May – 1st June 2014. The course time will be 8.30am - 5.30pm Tuesday to Sunday, usually with Saturday off. The exam will be anytime between 5 – 8pm Sunday (The exact time to be confirmed by the trainer during the week).

Maximum of twelve spaces per course.

Full NPLQ: £230.00 includes VAT, booking fee, + refreshments
Revalidation: £70 (assessment only)

Now also available...

Automated External Defibrillator training: £50

Please note that tea/coffee, and cold drinks will be provided throughout the day, however lunch will not be provided.

HELLO!

ACTIVE NATION

What will you need to do to get the NPLQ?

Every candidate, prior to commencement of training for the **NPLQ** must:

Be 16 years of age;

Be able to meet the following basic fitness criteria:-

- jump / dive into deep water
- swim 50 meters in less than 60 seconds
- swim 100 meters continuously on front and back in deep water.
- tread water for 30 seconds
- surface dive to the floor of the pool
- climb out unaided without ladder / steps and where the pool design permits

Training and assessment for the NPLQ is in two units:

Unit 1 – The Principles of Lifesaving and Swimming Pool Supervision

Assessment for Unit 1 takes place at the conclusion of a training course for a minimum of 31 hours for new candidates. It determines your knowledge and understanding of the principles of working as a pool lifeguard. Your ability is assessed in a range of lifesaving skills which enable you to deal with common emergency situations in pools.

Unit 1 comprises four elements:-

The principles of pool lifeguarding;
Water rescue skills, including times swim rescues, conscious and unconscious casualties;
CPR skills on adult, child and infant;
First Aid, where you will demonstrate knowledge of selected first aid conditions and advising on poolside treatment.

Unit 2 – The Application of Supervision and Rescue in a Swimming Pool

Unit 2 is continually assessed over a minimum 7 hours training. It determines your ability to apply the Unit 1 skills and knowledge in a work-related environment as they would apply in a swimming pool.
